## DAILY SCHEDULE OF EVENTS

Effective September 2, 2008 to May 14, 2009

---

### **“Quest for Energy” film**

A sixteen minute film that introduces you to the geology, history, mining, and extraction processes of the Athabasca Oil Sands. Available at scheduled times in the Robert Fitzsimmons Theatre, and any time in the mini-theatre located in the exhibit hall.

### **“Pay Dirt – Alberta’s Oil Sands Centuries in the Making” film**

A forty five minute film that portrays the history and development of the oil sands industry in Alberta. Shown at scheduled times in the Robert Fitzsimmons Theatre.

### **Oil Sands Experience**

An exciting ten minute presentation that demonstrates how bitumen is separated from the oil sands. See, touch and smell oil sand!

### **Industrial Equipment Garden & Bucketwheel Exhibit**

This outdoor display area features authentic equipment that was once used in the oil sands industry near Fort McMurray. It is your chance to see one of the largest land based artifacts in Canada! Self-guided tours, weather permitting.
